

VILLAGE OF

*a great place to live, work, and play***BARRINGTON****A GREAT PLACE!**

Barrington is a beautiful, historic suburb that takes pride in its hometown charm and small-town heritage. More than 300 unique shops and restaurants are clustered in five distinct retail areas. The Village Center is the heart of town, with its stately Victorian homes, historic buildings, quaint shops, and restaurants for every palate.

Battle at Barrington Re-enactment: The Babyface Nelson Shootout

November 27, 3:00 p.m.

On this date in 1934,

gangster Babyface Nelson engaged in a gun battle with FBI agents, killing several before being killed himself. See the scene re-enacted, complete with costumes and vintage vehicles. The re-enactment takes place on Friday, November 27th at 3:00 p.m. in the parking lot of Langendorf Park, 235 Lions Drive. This event is sponsored by the Barrington Sesquicentennial Committee, who has worked tirelessly

throughout the year to celebrate Barrington's 150th Anniversary.

Fireplace Safety

It's not uncommon for homeowners to burn a lot of firewood in their fireplaces as a supplemental heat source. When burning firewood, a tar-like material called creosote builds up on the chimney walls. The type of tree, the age and amount of wood being burned determines how quickly creosote builds up.

Left to build up over time, creosote will eventually heat up and cause a fire in the chimney or attic. In either case, damage by fire could be significant. To avoid a creosote buildup in your fireplace, it's best to professionally have your fireplace cleaned by a chimney cleaner (also referred to as a chimney sweep). This should be done at least annually, depending on the type of tree, the age and the amount of wood being burned

Winter Biking Tips

Winter weather is approaching and with cold and icy conditions it is important to take the proper steps to ensure you are biking safely. With the sun setting earlier it is also important to think about riding safely at night.

- Wear layers
- Wear gloves
- Wear thick socks
- Wear a thin hat and adjust your helmet fit
- Wear sunglasses to help with glare from snow
- Wear water/weatherproof clothing
- Wear bright colors and use reflective gear on you and your bike
- Tire chains provide better traction for slippery roads and paths
- Mountain and hybrid bikes work better in winter weather
- Clean your bike; salt and winter weather may require more "TLC" for your bike
- Use a bright white light in front and a bright red light in the rear in order to make yourself more visible

*A message from
Karen Darch,
President of the
Village of Barrington*

Barrington Appreciates Your Civic Engagement

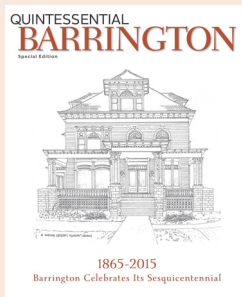

Barrington invites you to become more involved in your community. From the Fourth of July events and Cruise Nights to the Sesquicentennial Events held this year, and various appointed boards, commissions, and committees, volunteers play a vital role and are an essential part of the success of the Village. There are always opportunities to volunteer at certain events. If you'd like to volunteer at any one of our many Village hosted events, you can contact Anne Garrette at (847) 304-3479 or agarrette@barrington-il.gov.

The Village also has several appointed boards, commissions, and committees that make recommendations to the Board or address certain interest areas. Some of these are the Plan Commission, the Architectural Review Commission, the Zoning Board of Appeals, the Fire and Police Commission, the Police and Fire Pension Boards, the Cultural Commission, the Barrington Bicycle and Pedestrian Advisory Committee, and the Sesquicentennial Committee. These commissions are comprised of volunteer citizens who donate their time and effort to the betterment of the Village. Currently, Barrington has some openings for people with expertise in planning, architecture, zoning, or construction. Again, if you're interested in serving on a Village Commission, please forward your resume to Melanie Marcordes at mmarcordes@barrington-il.gov.

The Village Board and Village residents, and visitors too, appreciate all the volunteers that work so hard and give so freely of their time and efforts to make Barrington such a great place to live, work and play.

President, Village of Barrington

Commemorate Barrington's 150th Anniversary

Quintessential Barrington produced a special Sesquicentennial edition magazine for sale as a record of our area history and as a lasting keepsake for Barrington's 150th anniversary celebration. This is a great gift idea for the holidays! Copies are available for purchase at the Village Hall, 200 S. Hough Street, Monday - Friday between the hours of 8:00 a.m. and 4:30 p.m., the Public Safety Facility, 400 N. Northwest Highway, seven days a week between the hours of 8:00 a.m. and 11:00 p.m., or at any Village or Sesquicentennial event. The cost is \$10 per copy.

Tips and Tools for Caregivers

Thursday, November 12

Creating a More Vibrant Barrington

We are proud to announce enhancements to our business community that help to make Barrington more vibrant.

Spring Donut, located at 113 South Cook Street, offers their signature Spring Donuts (Kurtos) and fresh hot charka (sweet bread), along with jams & jellies, omelet muffins, an assortment of sandwiches, and delicious coffee. They even have a play area for children, so you can enjoy your coffee while your kids have fun! Want to pre-order? Call before you stop by at (872) 808-9321 and pick up your fresh order of goodies. Make plans to visit today!

Beat Street Toys, located at 100 East Station Street (opposite the entrance to Francesca's), has a wide variety of toys for children up to age 13, as well as retro and vintage toys for seasoned shoppers. Explore the selection of toys and gifts from off the beaten path! For more information, visit <http://beat-st.com>.

Heads Up Shirt Shop, located at 200 E. Main Street adjacent to Heads Up Boutique, will offer custom apparel that can be purchased in any quantity, and for any reason - sports, family reunions, events, clubs, weddings, special birthdays, etc. The new store is bringing the concept of the 1-hour custom t-shirt to Barrington. The shirt shop will also be the headquarters for BHS-logoed wearables. Pop in and see the designs, or call (847) 304-5450.

Shakou Barrington, located at the corner of Hough and Main Streets at 121 W. Main Street, brings modern Asian cuisine and a sophisticated urban vibe to downtown Barrington. Shakou offers lunch and dinner with specialty sushi rolls, beef, chicken, fish, noodle, and seafood cooked entrees, Bento Box lunch specials, and sandwiches. Make your reservation now at (224) 655-2853 or visit www.shakousushi.com.

Shop Small Business Saturday November 28, 2015

The Village of Barrington encourages everyone to support their neighborhood small businesses by shopping locally on Small Business Saturday, November 28. Small Business Saturday is a national movement that marks a day to support the local businesses that create jobs, boost the economy, and preserve neighborhoods around the country. It's where you get your coffee every morning, shop to find that perfect gift, or have your hair styled. Small businesses are always there for you. So this holiday season, get to know the wonderful small businesses that make Barrington a special place and shop small!

Village News You Can Use

Holiday Light Recycling Program

The Barrington Public Works Department has partnered with Elgin Recycling to establish a "Holiday Light Recycling Program." Collection of these lights will be at the Public Works Facility, 300 N. Raymond Avenue, November 27, 2015 through March 21, 2016. The drop off bin will be located at the main entrance of Public Works. Accepted for recycling will be: mini-lights (or Italian lights), C7 lights, C9 lights, rope lights, LED lights, and extension cords. All colors and lengths will be accepted. The Village will not accept garland, live greens, wreathes, or other non-recyclables. For more information on this program please contact the Public Works Department at (847) 381-7903 or visit www.elginrecycling.com.

Christmas Tree Chipper Schedule

The chipper will make only one pass through your neighborhood.

Monday, January 11 - North of Main Street
Monday, January 18 - South of Main Street

Safety First

Decorative lights should never be used on metallic trees. Candles should never be used on trees. Use only flame-retardant or non-combustible decorations. Keep presents and gifts away from lighting. Be sure that the gifts themselves are fire-safe. Do not use indoor lights outdoors. All outdoor lights should be weatherproofed. Install and maintain smoke alarms.

Winter Garbage Placement

During the winter months, garbage pickup is more difficult due to snow and ice conditions. The Village respectfully requests that residents place all garbage and recycling containers on the driveway or parkway adjacent to the street. Do not place the containers on the street, as this can create a hazardous condition for snow plowers and residents. Thank you for your consideration.

Tree Replacement Program Suspended

Due to the increased removal of parkway ash trees infested with Emerald Ash Borer (EAB), the Village has suspended all tree planting for this year. Tree planting will resume in spring of 2016.

Please contact the Public Works Department at (847) 381-7913 with any questions. Thank you for your patience and understanding as we continue to manage this natural disaster.

From the desk of
Jeff Lawler,
Village Manager

Residential Rate Reduction Applied Due to Agreement with Groot

At the Village Board meeting held Monday, October 12, 2015, a multi-year agreement with Groot Industries for refuse and recycling services was approved. The new agreement features a lower rate for residential customers with no increase in cost for 15 months. The new agreement also provides additional benefits to residents, such as an unlimited E-Waste program, a residential food scrap program at no charge to residents, and a food scrap program for District 220 Schools and commercial properties. The Commercial refuse rate is also frozen for 15 months.

The white goods (appliances) disposal rate is to remain the same, at \$45.00 per pick up. In order to increase residential recycling, residents will be offered a 95-gallon recycling cart at no additional charge.

At the October 26th Village Board Meeting, a 4% reduction in the refuse and recycling rate for residential customers was approved as a result of the lowered costs gained in this agreement coupled with the cost decrease in the refuse and recycling disposal fees charged by the Solid Waste Agency of Northern Cook County (SWANCC).

Village Board Meeting Summary

At the Village Board meetings held September 28th, October 5th, and October 12th, the Village Board took action on several items. The following is a summary of some of those items.

Rock Salt Purchase: The Village Board authorized the purchase of rock salt for the 2015/2016 snow season at a cost of nearly 40% less than last year's prices.

Sidewalk Snow Plow Machine: The Village Board authorized the purchase of a new sidewalk snow plow to replace a machine that has exceeded its usability.

Homecoming Parade: Barrington High School received permission to use the Village rights-of-way for the annual Homecoming Parade.

Code Amendments: The Village Board authorized several code amendments pertaining to the sale of liquor and Board committees.

Firefighters Union Agreement: The Village Board authorized a 3-year agreement with the Barrington Firefighters Union Local 3841 and in conjunction with the agreement, authorized the filling of an Assistant Fire Chief position.

Health Inspection Services: An agreement with Cook County Health Department was approved to provide for inspections for food establishments in the Cook County portion of the Village.

Cycle Werks of Barrington: A Certificate of Approval for exterior alterations to the building located at 126 N. Cook Street was approved.

Egg Harbor: A Certificate of Approval for the construction of a metal and fabric canopy structure located at 125 W. Main Street was approved.

Call One: A contract with Call One to provide phone and data services was approved.

BARN Agreement Termination: Barrington Hills has requested to terminate its agreement for shared radio frequency and equipment.

Barrington's White House: The Village Board approved two amended agreements and one new agreement relative to event management at Barrington's White House.

ComEd Agreement: The Village Board approved an agreement relative to a replacement program for all of the Village's street light fixtures with LED lighting.

Complete Village Board meeting agendas are available on the Village's website. Also, all meetings are aired on Channel 4, or can be viewed online at www.barrington-il.gov.

Welcome Santa and visit with him throughout the month of December. Have breakfast at Chessie's with him on Saturday December 12th. There are tons of holiday events and celebrations throughout the month. For details and more information, visit www.icehousemall.com.

Did You Know?

There is an easy way to get timely alerts on local news such as emergency bulletins or crime alerts? Visit www.barrington-il.gov to get connected

Village Vision

The vision of Barrington is to preserve and promote its unique small-town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

Due to the holidays, Groot refuse and recycling pick-up will be Saturday, November 28; Saturday, December 26; and Saturday, January 2. The last date for yard waste pick will be December 11, 2015.

Winter Parking

November 1st through March 31st

To allow snow plows to safely maneuver and clean the streets for emergency response vehicles, parking is not permitted after 1:00 a.m. on streets within the Central Business District when snow accumulation is over two inches, until snow removal operations are complete. Parking is not permitted at any time on residential streets outside of the Central Business District when snow accumulation is two inches or more, until snow removal operations are complete. Just as a reminder, parking is always prohibited on all Village Streets between the hours of 1:00 A.M. until 6:00 A.M. Village snow removal crews typically complete post storm clean-up of Village streets during the hours of 1:00 A.M. and 6:00 A.M. after the storm has ended. Please refrain from parking on the street until after all snow and ice control efforts have been completed.

Sidewalk Snow Removal

During snow storms, watch Channel 4 and the Village's website www.barrington-il.gov for detailed snow removal tips. Like most municipalities in northern Illinois, the Village requires residents and business owners to clear snow and ice from the sidewalks adjacent to your property. Keeping your sidewalk clear is important for preventing hazardous conditions for pedestrians. Please remember to do your part to help assure the safety of your neighborhoods and customers by making sure your sidewalk is promptly cleared.

Snow Piled at End of Driveways

Because there are more than 3,800 driveways in the Village, we do not have enough equipment and personnel to clear snow at the end of driveways. We recommend waiting until the street has been plowed from curb to curb before clearing your driveway.

Please keep your fire hydrant clear of snow. It will greatly help the firefighters in case of fire.
